Dear TOURMAN 2021 delegate,

Hope this email finds you well. Thank you for your patience as we were evaluating your paper. Your participation helped make the Conference a great success. The conference received many outstanding submissions (more than 500), yet the journals have limited space in its special issues.

Based on the reviewers' preliminary evaluation your paper was considered appropriate as a Book Chapter contribution in the following edited Book:

Christou, E. & Fotiadis, A. (Eds.) Restarting Tourism, Travel and Hospitality. Thessaloniki, Greece, 2021: IHU-SEB Press

The authors of full papers published as Chapter contributions in the above book will keep the full copyright of their papers without restrictions; work published in the book will be licensed under a Creative Commons Attribution-NonCommercial-NoDerivatives 4.0 International Licence.

Please contact me **before July 20**, if you agree to proceed with publishing your manuscript as a Chapter Contribution (Anestis.Fotiadis@zu.ac.ae). After your agreement, we will send you detailed instructions as well as further revision – if required – for finalizing your manuscript.
